

EU DECLARATION OF CONFORMITY

The manufacturer

SWEDSAFE AB, Pumpvägen 4, SE-243 93 HÖÖR, Sweden

declares under sole responsibility that the Personal Protective Equipment (PPE) items listed below, are in conformity with;

- Regulation (EC) 2016/425 and, where applicable, with national union harmonisation legislation
- EU type examined product and issued certificate

<i>Product name (No)*</i>	<i>Certificate No</i>	<i>Notified Body No. Product certification</i>	<i>Notified Body No. Production assessment</i>
REUSABLE EARPLUG RP1	1801178	0121	0403

*Additional product names may occur, see original certificate.

The standard EN 352-2:2002 has been used as basis for the EU type examination

The conformity to the EU type examined product is based on Assessment of conformity with the type based on internal manufacturing controls with monitored product testing at random intervals (Module C2) under surveillance of the notified body 0121 (Institute for Occupational Safety and Health)

Notified body 0121:

Institute for Occupational Safety and Health (IFA), Alte Heerstraße 111, D-53757 Sankt Augustin, Germany.

Signed on behalf of

SwedSafe AB
